- Player payments should be collected by coaches along with registration forms. Payment and rosters **must** be submitted ahead of the tournament.

**The deadline to submit payment is Friday, December 1<sup>st</sup>** but we would like it as soon as possible so we can have everyone registered and ready to play the day of the event.

Coaches can submit payments in the form of cash or checks that can be made out to Tri-State and mailed to PO Box 4666 Morgantown, West Virginia 26508

## **Rules**

This is a 7 on 7 tournament with two attack, two midfielders, two defenseman (for boys, we are allowing defensive sticks but they're not required) and one goaltender on the field at all times.

- Games are **25 minutes** with a running clock, 5 minute warmup, and substitutions are on the fly. These same rules apply for girls as well.
- **Boys games are non-contact** but, every player is **required** to wear full gear
- In the event of a penalty, the player sits in the box for one minute. If an intentional hit is performed, the **guilty player will be ejected** from tournament as well, this is **nonnegotiable**.
- No timeouts.

**Our priority is to keep players safe** while helping players develop their skills and help expose said skills to help them get to the next level.

## **Regulations**

- We are welcoming any player that is still in high school or middle school with any experience level to compete in the tournament.
- Each player on a coach's submitted roster must fill out a waiver and registration signed by the individual's parent or guardian, regardless of age on the day of the event or they will not play until we receive a signed copy. Each player must also provide a birth certificate, along with personal and student identification for validation that the player is indeed the age they claim to be.
- We ask that teams be **limited to 12 players** but if you feel you can bring more than one team, you're more than welcome to do so with the understanding that you may only bring two teams.
- **Remember**, players **may not** show up and expect to pay the day of the event because rosters need to be finalized ahead of the time.
