The Mountain Ridge Elite Lacrosse Club is looking to be the first ever travel Boys and Girls Lacrosse Club in the state of West Virginia. As a whole we wish to spread the growth of the sport across the state by attracting both middle and high school players that are enthusiastic to develop their own skills and have a desire to learn the fundamentals of lacrosse. Each week practices will be held in a central location of West Virginia where small one on one drills will be conducted between players and coaches to ensure personal progress. Skills will then be applied to game-like situations. Teams will have the option to travel to showcase tournaments to compete against other teams where college scouts will be in attendance. In the end, Mountain Ridge Elite aims to instill confidence in players and leave them with an experience of a lifetime.
